

PERTH REPEATER GROUP INC.

Meeting held at Bibra Lake on 25/2/2018 at 10.40am

Meeting open by Aunty Anne at 10.40am

Present : Aunty Anne, Cathy, Johnno, Janine.

Apologies, Lenny and Vynka.

Minutes form last meeting read. Financials read out.

General business.

Cathy brought up, as requested, that repeater come down for 2 weeks repair. The matter to be discussed with Tech Ray, as it does need to be looked at, due to the issue of the repeater dropping out intermittently. Hoping he can take some time to sort the matter out.

Cathy brought up letter to Dumb Dumb. It was read out.

Dean was brought up again by Cathy. As she had heard that some had said he needed to be put out of association . Cathy did not agree with this as he is being baited and seems he his doing it off his own back. Nothing to do with association. Unless a member complains that he is being verbal attacked, for no good reason then no disciplinary action is required. All agreed

Next meeting 24/6/2018 at Lollipop's place. At noon.

Meeting closed at 11.08am.
